RESOLUTION 2026-08
RESOLUTION ESTABLISHING NO PARKING SIGNAGE ON THE WEST DIRT ROAD PORTION OF MAIN STREET AND ON JONES STREET CITY OF NORTHOME

WHEREAS, the City Council of Northome received a request to add "No Parking" signage on either side of the west end, dirt road portion of Main Street and either side of Jones Street; and

WHEREAS, the City Council of Northome has reviewed the street conditions present in the location above and has reviewed the points of concern from citizens and road maintenance employees, whereupon the City Council finds that the roadway in this location is narrow, lacks shoulders, and when vehicles or snow accumulation occupies any portion of the roadway, two-way traffic becomes difficult if not impossible, restricts traffic flow, impedes road maintenance, and could render the roadway impassable to emergency vehicles; and

WHEREAS, pursuant to Section 1 of Ordinance No. 55, "The City Council may by resolution order the placing of signs, devices or marks, or the painting of streets or curbs prohibiting or restricting the stopping, standing or parking of vehicles on any street where, in its opinion, as evidenced by a finding in its official minutes, the stopping, standing or parking is dangerous to those using the highway, or where the stopping, standing or parking of vehicles would unduly interfere with the free movement of traffic."; and

WHEREAS, requested signage would ensure the safety of two-way free-flow traffic on the aforementioned streets, and allow the City of Northome to maintain the streets properly; and

NOW, THEREFORE BE IT RESOLVED, that the City Council of the City of Northome hereby orders the installation of "No Parking" signs on either side of the west end, dirt road portion of Main Street, and on either side of Jones Street. Placement of signs shall be within the road right-of-way and placed such that the signs prohibiting parking provide adequate space for road maintenance and unimpeded motorized and non-motorized traffic within both the actual roadway and road right-of-way.

ADOPTED this 9th day of September, 2026, by the Northome City Council.
